STATEMENT:

CHILD SAFETY: I will work to see that armed security is present in every Alaska school and that school security is upgraded. How to pay for it? The federal Department of Homeland Security has been giving out Homeland Security Grants to secure critical infrastructure against terrorist attacks since 2001.

I support SB140 to prevent injury to females by transgender males.

I will work to bar transgender treatments until age 18, and then the adult pays, not the state.

EDUCATION: Literacy is the primary mission of education. I will work to get the unions out of the classroom, and to discourage DoEd funding that is responsible for 66% of the classroom regulations and the communist agenda.

2020-2021 COVID Emergency Response: I will work to see that our rights are considered in any emergency mandate, that our Legislature maintains the 30 day oversight of any emergency declaration by a governor. I support SB156 to end mandatory vaccination.

SECOND AMENDMENT: Individual immutable right.

PFD: Full PFD and what's owed.

CONSTITUTIONAL CONVENTION: I support a constitutional convention.

HUNTING AND FISHING: Alaskans first.

RESOURCE DEVELOPMENT: I support resource development.

TRANSPORTATION: I support the expansion of transportation infrastructure to increase access to lands.

JUDICIARY: I support limiting consideration of constitutional issues to textualization/Framers' Intent.

MOVE LEGISLATURE TO Anchorage or the Valley. I support a secure VOTE, TERM LIMITS and increasing the capability of the Alaska State Defense Force.
